

The top row shows two artistic drawings of a traditional wooden blacksmith house. The left drawing depicts the house in a natural setting with a horse grazing in the foreground. The right drawing is a more detailed architectural sketch, showing the house's structure, including a chimney, a sign that reads 'KOVÁRNA' (blacksmith), and a stone-paved entrance area.

The bottom row shows two 3D digital renderings of the same house. The left rendering is a perspective view of the completed model, highlighting the wooden planks, the gabled roof, and the sign 'KOVÁRNA'. The right rendering shows the house from a different angle, emphasizing the chimney and the overall form of the building.
