WATER COLOUR vodová barva

Hospody se nacházely v každé větší vesnici . Ke stavbě se používalo stejného materiálu jako na okolní domy. Umístěny v centru obce, poblíž kostela a fojtství vytvářely společenské centrum, ve kterém se scházeli sousedé k odpočinku, společenské zábavě i při kulturních příležitostech.
Every village used to have a tavern, that was usually located in the center of the village. Together with a church and mayor´s house, these structures played an important role in social activities of the village inhabitants. Neighbours used to meet here to exchange ideas, to relax, and to enjoy cultural gatherings.
Gasthäuser befanden sich in jedem groß
eren Dorf, und Man benutzte zum Bauen das gleiche Baumaterial wie für die anderen umliegenden Häuser. Die Lage, stets in der Dorfmitte, nah an der Kirche und der Vogtei, machte sie zum gesellschaftlichen Dorfzentrum, wo sich Nachbarn zur Entspannung und zu gesellschaftlichen oder kulturellen Gelegenheiten trafen.
